

CPE KINDERGARTEN ADMISSION POLICY

It is College Prep Elementary School's policy that children applying to Kindergarten must turn 5 years of age on or before September 1 of the year they will be starting school.

Kindergarten Admissions Policy Amendment Applying to Siblings of CPE Adopted by the CPE School Board July 25, 2016

At the request of the parents, an applicant who is a sibling of a CPE student who would like to enroll and would be turning 5 years of age between September 2 and December 31, will be placed on a waiting list.

If four weeks before school begins, enrollment does not meet the targeted total enrollment, students on the waiting list will be evaluated. Based on the results of the evaluation and the decision of the kindergarten enrollment committee (made of the Principal, a school psychologist, and at least one kindergarten teacher), students will be admitted or declined. Parents/guardians will be notified at least two weeks in advance of the school year starting.

Students who are admitted for early enrollment under this policy will be subject to continuance of kindergarten based on the guidance of the kindergarten teacher.
